## 'A WORLD INSPIRED BY BIRDS AND INFORMED BY SCIENCE'

BTO harnesses the skills and passion of birdwatchers to advance our understanding of ornithology and produce impartial science, communicated so that it can be of benefit to everyone.

### OUR GOALS

BTO increases knowledge of birds and other wildlife, and their relationships with the environment and people, by:

- Enabling more people to learn about birds and science and grow through participation in environmental discovery.
- Delivering impartial, impactful and relevant science.
- Inspiring and empowering people with an understanding of birds and the importance of knowledge.

### OUR PRIORITIES

We will reach our goals by:

- Providing more and better opportunities for people to contribute to our work.
- Monitoring the status of species, researching their ecology and understanding how they respond to change.
- Communicating great stories that bring to life the long-term data, information and knowledge that we hold.

## OUR IMPACT

Our surveys, monitoring schemes and research programmes are designed by expert scientists to answer some of the most pressing questions affecting birds and their habitats. Because of our independence we are able to share our data, expertise and knowledge to inform decision-makers, educate the public and support conservation action. Our long-term datasets provide a measure of change and enable us to look for impacts and test solutions. Our vibrant volunteer network makes us highly effective and ensures that our work reflects the interests of those for whom birds and wildlife are important.

## OUR FOUNDATIONS AND VALUES

The success of BTO is based on firm foundations that include: motivated and skilled staff and volunteers; a strong reputation; a robust business model and effective governance systems and processes.

We are:

- Inclusive and supportive
- Impartial
- Passionate
- Collaborative and open to new ideas

BTO is a Registered Charity Number 216652 (England & Wales), SC039193 (Scotland).

# VOLUNTEER BAT SURVEY ASSISTANT

We are looking for a volunteer to join the Norfolk Bat Survey team to assist in several areas, including helping us administer bat recordings sent in on SD cards by volunteers, sending out survey results, answering questions from the public on the project and on bats, and help with troubleshooting / bat detector questions. If you have an interest in bats or enthusiasm to learn about bats and acoustic monitoring, then we would love to hear from you. You will join a small friendly team and work closely with the project survey organiser Hazel Evans and Stuart Newson, Senior Research Ecologist in the Population and Modelling Team; enabling you to develop knowledge, skills and experience whilst contributing across a range of important areas and helping to engage more people and new audiences in BTO's work.

## WHAT YOU WILL DELIVER

You will work alongside the Population and Modelling Team / (based in Ringing and Nest Recording Team) on:

- Administering the processing of bat recordings
- Sending out survey results to volunteers
- Advice and help to the public on the project, and answering questions on bats

## WHAT YOU WILL BRING TO THE POST

### Essential skills:

- Good IT skills.
- Interest or interest in learning about bats and acoustic monitoring.
- Demonstrable enthusiasm for wildlife and conservation.

## FIND OUT MORE ABOUT THE ROLE

For an informal chat about the position please contact Stuart Newson (01842 750050 or [stuart.newson@bto.org](mailto:stuart.newson@bto.org)).

## LOCATION AND HOURS

The post will be based at Thetford, Norfolk.

We are looking for someone to volunteer for a minimum of 2 half days a week, days and hours are flexible to suit the individual.

### VOLUNTEERING AT THE BTO

Volunteer opportunities at the BTO are a great way to give something back, use your existing knowledge to benefit the impact of the charity, and to develop new knowledge, skills and your career.

The BTO is an organisation of passionate people happy to share their knowledge with others, if you have an interest in finding out more about the work we do, birds and other taxa then this is a great opportunity; this may be informally or through one of our BTO events or seminars.

We are able to reimburse reasonable travel expenses for volunteers.

We are happy to provide references for people that have volunteered for us.

Our core hours are Monday – Thursday 9:00– 5:30 and Friday 9:00– 5:00, however we are happy to discuss days and hours to suit the volunteer.

### MAKING AN APPLICATION

If you have what it takes then we look forward to hearing from you – send your completed CV to Sian Knott via [recruitment@bto.org](mailto:recruitment@bto.org) stating the job title in the subject line.

In your cover letter please let us know about the experience you have, why you would like to volunteer for the BTO and any other information you wish to include.

Closing date for receipt of applications is 31 May 2019.

Interview date TBA. Interviews will be held in Thetford, at the BTO, IP24 2PU.

If you have a disability or long-term illness that otherwise prevents you from meeting any of the essential criteria, please contact us to discuss whether a reasonable adjustment could be made.

As users of the disability confident scheme, we guarantee to interview all disabled applicants who meet the minimum criteria for the vacancy.
