Wader two-letter codes and symbols: Note CU (Curlew) used as e.g. below, but symbols apply to all species.		CU – Curlew	DN – Dunlin	GP – Golden Plover	L. – Lapwing	
		OC – Oystercatcher	RK – Redshank	SN – Snipe	CS – Common Sandpiper

CU	Repeatedly alarm-calling (agitated) and/or 'mobbing' Curlew	CU + juv(3)	Adult with three chicks (juveniles)			
If multiple adults are observed in one location, write the number before the two-letter code (e.g. 7L. = Seven Lapwings in a field) - this can be used with any of the symbols noted above (e.g. 3RK = three Redshanks repeatedly alarm calling)						
Draw the route walked with a dashed line and arrows to indicate direction
